Children can only be registered after they are born.

If you live outside of Pforzheim, please tick the box “andere Straße”. Now you can enter the name of the street by hand without using the popup-menu. The name of the town can also now be changed.

If your requested date of admission is not flexible, please fill-in a date in the box “Aufnahme gewünscht am”. Otherwise - if the date of admission is flexible - you can also add the latest requested admission date in the box “spätester Aufnahmetermin”.

Voluntary information concerning employment, training of the parents/custodians or concerning particular support for the child (Angaben zur Berufstätigkeit, zum Förderbedarf des Kindes und zu Geschwisterkindern sind freiwillig)

Under certain circumstances it is possible that children get preference in the assignment of places:

- in case of employment/training/jobseeking of both parents (a confirmation of the employer/school authorities/local labour office is necessary)
- in case of employment/training/jobseeking of single parents (a confirmation of the employer/school authorities/local labour office is necessary)

•

No preferences:

- if **only one** parent is in employment/training/jobseeking

The circumstances must be confirmed until February 28th. You can download a file on the website www.pforzheim.de/kita-anmeldung

Types of childcare and Supervision time (Betreuungsangebot)

Please choose in the dropdown-list the type of childcare and the supervision time/week.

Following types of childcare are available:

- nursery/crèche (children up to 3 years old)
- Kindergarten (children from 3 years until they start school)
- Child day care (TaPiR for children under 3 years)
- Hort (school day care)

The number behind the types show the weekly care time.

The selection of the type of childcare/supervision time restricts the offered institutions. For example: if you select "Krippe_30 Wochenstunden" only those institutions which can meet your wishes will be listed.

Favourite institutions (Wunscheinrichtung 1,2,3)

You should choose at least one favourite institution. If you wish, you can choose two more institutions. The priority of your favourite institutions will be considered if possible.

Another child of your family being in the same institution (Geschwisterkind in Einrichtung)

If one of your children at the same time visits the kita you are applying for, please set a checkmark in the box below the favourite institution. It is possible that your wish will be given a higher priority.
